# Pupil Premium 2016-17

This document outlines a summary of how Bembridge CE Primary School will spend its Pupil Premium Funding allocation for the financial year 2016-17.

## What is Pupil Premium?

Pupil Premium is additional funding that a school receives in addition to the main funding. The Government believes that the Pupil Premium is the best way to address the current inequalities between children eligible for free school meals (FSM), children in care (LAC) and children from service families (CSF), and their peers by ensuring that funding to tackle disadvantage reaches the pupils, who need it most.

The Headteacher on behalf of the Governing Body can decide how that funding is spent and is accountable for ensuring it has maximum impact.

## How much does the school get?

The school receives an allocation for children that:

- are eligible for free school meals (FSM) or have been in the past six years (Ever 6) £1,300 per pupil
- are looked after by the state £1,900 per pupil
- post looked after or in receipt of special guardianship
- have parents in the services £300 per pupil

For the financial year 2016-17, the allocation for Bembridge CE Primary School is £49,560

The school receives funding where Children in Care (LAC) are placed in the school from their home local authorities virtual school.

	Pupils entitled to free school meals	Pupils looked after/post LAC	Pupils of armed services personnel
Number of pupils	33	3	1
Amount of funding	1,300	£1,900	£300
Total Funding	43,560	£5,700	£300

We recognise that barriers to achievement take a variety of forms and our priority is to support a child, both in and out of the classroom. We ensure that every child has an equal opportunity to become an empowered learner through use of all our resources. We offer our children a wide range of opportunities and we make sure these are accessible to everyone.

**Aims of Pupil Premium Spending for Bembridge CE Primary School in order to raise the attainment of disadvantaged pupils and close the gap between them and their peers.**

- To provide additional support for pupils
- To facilitate smaller group work and 1:1 work
- To provide interventions to accelerate progress in key areas
- To provide resources to deliver interventions
- To enable engagement with parents and support learning at home
- To provide behaviour and social interventions
- To provide pastoral support for children
- To provide counselling for children where appropriate
- To provide other out of hours clubs and give children additional learning opportunities
- To subsidise educational trips
- To support and develop good learning behaviour
