

BEMBRIDGE CE PRIMARY SCHOOL SPORTS FUNDING 2016/2017

The Primary PE and Sport Premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

In March 2013 the government announced that it was to provide additional funding of £150 million to improve provision of physical education (PE) and sport in primary schools in England - The Primary PE & Sport Premium. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school head teachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. The four objectives of the Primary PE and Sport Premium funding are:

- To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports.
- To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence.
- To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce.
- Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
- Supporting and engaging the least active children through new or additional Change4Life Clubs.
- Paying for professional development opportunities for teachers in PE and sport.
- Providing cover to release primary teachers for professional development in PE and sport.

- Running sport competitions, or increasing pupils' participation in the School Games.
- Buying quality assured professional development modules or materials for PE and sport.
- Providing places for pupils on after school sports clubs and holiday clubs.

How we will spend the funding and the expected impact:

Expenditure	Cost	Expected outcome
Contribution to travel costs	£1,500	Pupil participation rates increased in competitions, matches, fixtures and interactive sessions.
Paying sports specialist to support and deliver P.E lessons and extra-curricular sports activities.	£5,800	Provides a range of specialist coaching and enrichment activities for all year groups.
Balanceability 'Learn to cycle' programme for children aged up to 6 years old.	£500	Children in Reception Class/Year 1 gain the confidence and skills required to ride a pedal bike independently,
Challenge Programme- Enrichment activities for G and T and Pupil Premium children	£200	Children develop specific sporting skills and equal opportunities for all children are provided.
P.E equipment	£300	Increased quality of equipment for PE sessions, training and competitive sport.
Further swimming sessions for children not reaching 25m	£500	Children to reach expected N.C Standard.
Baylink games	£200	Biannual sports festival organised by SBA which all KS 2 attend.
Total spend	£9000	

Providing places for pupils for after school sports clubs

Bembridge CE Primary School offers a wide range of after school clubs, accessed by children from Key Stages 1 and 2.

Increasing participation in competition and school sport

This year we aim to be involved in the following sports within intraschool and Island-wide competitions:

Football, Netball, Tag Rugby, Table Tennis, Sportshall Athletics, Handball, Gymnastics, Multi-Skills, Basketball, Hockey, Sitting Volleyball, Cross Country, Outdoor & Adventurous Activities, Golf, Tennis, Cricket, Athletics, the Baylink Olympics and the Primary Island Games.

At Bembridge CE Primary School we aim to retain the Sainsburys Gold Sports Award for the fourth consecutive year.
