1 December 2017

Dear Parents/Carers

We have just been invited by Sandown Bay Academy to take part in an ICT and Design Technology subject experience morning. I appreciate that this is very short notice but we have only just been notified of this event and recognise that this would be a very good learning opportunity.

Pupils need to be dropped at Sandown Bay Academy at 0845 but will be brought back to school by coach in time for their normal lunchtime arrangements. .

Please complete the attached tear off slip and return by 9am Monday 4 December.

Thank you for your cooperation in this matter

Yours sincerely
