As a school we aim to offer a wide variety of after school extra-curricular clubs. The majority of clubs in the past have been free to access, with the school providing the resources and the staff to run them. However schools are having more and more financial restraints put upon them and so the governing body have decided that from next term there will be a charge of £10 per term (£20 for Huxley) to attend a club, which equates to £1 per hourly session. There will on occasion be times where staff may be unavailable to run a club or it has to be cancelled. We will do our best to ensure that enough notice is given and arrange for another session to take place wherever possible. In the case of a child being absent we will unfortunately not be able to make a refund unless there are exceptional circumstances.

Each of the clubs will be offering free places for children with Pupil Premium funding. Each eligible child will be entitled to one free club per term. Pupil Premium funding is allocated to children who are entitled to Free School Meals (not universal free school meals) or those who have been entitled during the past six years.

You will be notified by text message to confirm which club your child has been offered. You will then be able to make a payment through school money. Your child will be unable to attend the club unless payment has been made.

Please do not sign your child up for a club unless they are fully committed to attending. ALL slips must be returned by 9AM FRIDAY APRIL, no slips will be processed until after this closing date. If a club is oversubscribed priority will be given to children who signed up for clubs last term and regularly attended.
