NEWSLETTER.....ISSUE 17

18 January 2018

Dear Parents

The children have all quickly got back in to school routines after the Christmas break. We began this week with an assembly all about 'seeing the good' – seeing the hidden beauty in people and situations. We talked about how learning to see the good in others is a habit we should all be building. In school children have been asked to think about looking at others that perhaps they don't always get on with and see the good things about them, which will benefit not only themselves, but others and the overall happiness of everyone. One smile can start a friendship...

As I mentioned last week the weather has turned much colder of late. Please ensure that children have coats, hats and gloves in school. As the weather gets colder there is always the possibility of snow which has been demonstrated this week in many areas.

The school would only be closed for the following reasons:

- School site is unsafe due to snow and ice
- Heating fails on a snowy day
- Not enough staff in school to run it safely

If a decision is made to close the school we would inform the Local Authority who would in turn advertise the closure on the Council website and IW Radio. We would inform parents by our text messaging service. Please ensure that the school office has an up to date mobile/contact number for you.

Free school meals

If you think that your child may be entitled to a free school meal, please ask at the school office. If you are entitled then there is no shame in claiming for this. When a teacher calls the dinner register nobody knows who pays and who has a free meal. The school also receives extra funding for every child that is entitled to a free school meal. Even if your child does not eat the school meal but brings in a packed lunch the school still receives the funding which benefits your child.

Celebrations

Celebrating the children's personal successes and achievements in class –
Be the Best You Can Be pupils were:

Reception Class	Nikola
Year 1 Class	Lucy
Year 2 Class	Natalia
Year 3 Class	Lucy

Year 4 Class Lewis
Year 5 Class Jacob
Year 6 Class Eloise

Well done for your achievements!

Our house of the week was Green House with **653** team points. Well done to them!

Last Week's Attendance

Class Attendance - week ending 12 January 2018	
Reception Class	97%
Year 1 Class	97.3%
Year 2 Class	95.4%
Year 3 Class	96.2%
Year 4 Class	98.6%
Year 5 Class	95.2%
Year 6 Class	99.6%
Whole School Attendance	97.1%

The Education Welfare Service are monitoring any pupil under 90% as this is considered to be Persistent Absence. Please be aware that we will need to ask for evidence, such as doctor appointment cards, to present to the EWS should medical advice be sought.

As far as possible please try to make medical/dental appointments after school or during the holidays. If you have to make a school day appointment it is really beneficial to make the appointment in the afternoon rather than the morning. Please note we are unable to release siblings at the same time, only the child who has the actual medical appointment.

If your child is unwell and off school you will need to phone school every morning by 9.30am to keep them updated as to your child's condition.

Admissions Arrangements

The Isle of Wight Council is consulting on its proposed admission arrangements for its Community & Voluntary Controlled Schools for the 2019/20 academic year.

The consultation will run for six weeks commencing Monday 11th December 2017 until Monday 22nd January 2018.

The consultation documents can be accessed by:

Sports News

Our U11 football team were in action on Tuesday against Broadlea and sadly they were beaten 4 nil. The boys have played extremely well all term and did well to reach the final stages of the league. Our year 6 players have been George, Jake, Jack B, Jack M, David, Samuel, Ethan, Mason, Luca P Luca W and Douglas.

Shift-it-Ross Edmunds has been in school this Thursday giving cycling sessions to different classes. He will be returning later in the term and he will be specifically targeting children who cannot yet ride a bike or who do not own a bike. Ross will be bringing bikes into school. On this later visit Dr.Bike will also be in school for the day, servicing any bikes which are in need of attention.

This term we have a gymnastics coach, Karen Lakey, working with various classes. Karen runs a gymnastics club at Carisbrooke High School and if you would like further information you can find out more by contacting Karen at carisbrookegymniow@googlemail.
