Headteacher Mrs S Grocock

Learning to love God, one another and ourselves

9 May 2019

Dear Parents/Carers

As part of our Science topic on the Plant and Animal life cycles, Year 5 will be visiting Sandown Zoo on the 28th June 2019.

The cost for this trip will be £5.24. This covers the admission to the zoo, a workshop, and coach travel. The trip has been subsidised using the £169 cake sale money we have collected this year. Please pay and give consent via school money.

If contact and medical details have changed since completing the EV3 form from the previous trip, please inform the office.

In addition to this, on the morning of the same day, Year 5 have been invited to attend a science taster workshop at The Bay Secondary School in Sandown. This session will be for approximately one and a half hours and we shall go by bus straight from there to the zoo.

There is no additional charge for this visit, but can we ask that you drop your child off at The Bay secondary site at 8:40am on that day, in time for a 9am start.

The bus will transport us back to Bembridge from the zoo in time for the usual school finish time of 3pm, where children can follow their usual arrangements for going home.

Yours sincerely

Mrs J Hay

Mrs Swallow
