## **Christmas Performance- 'The Angel Who Nearly Missed It All'**

Dear Parents/Carers,

This week at school, the children in Reception, Year 1, Year 2, Year 3 and Year 4 have all been working hard to learn their words, songs and dances for our Christmas Performance. Over the last few days, we have been filming the children's performances in their bubbles.

The filmed video of the performance will go live on the school's private Vimeo account tomorrow evening (10<sup>th</sup> December) at 6pm. A text message will go out to parents that will provide you with link to access the video. The video will then stay up on the school Vimeo account until next Friday, so that if you are away or unable to watch it on Friday then you can watch it over the weekend or later on in the week. The video will also be watched by the children in class next week at school. The school will also be getting Maurice to produce a DVD and memory stick, which will go on sale next week, (see order form attached)

We are disappointed that we are unable to share the performance with you in person, as originally planned, but we are very pleased with the outcome of the filming and we hope that you will enjoy it in the same way.

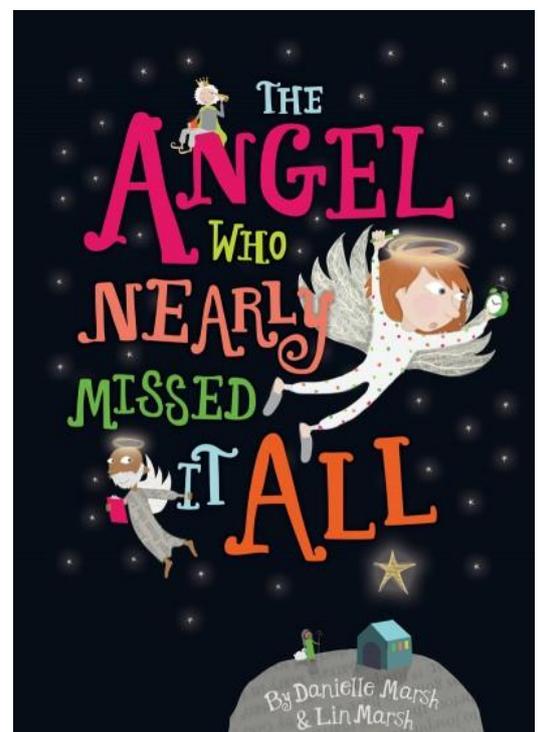

After all of the children's hard work over the last few weeks, we would like families to make watching the filmed performance a special event at home in order to replicate the live event that would have taken place at school.

Thank you for your help in creating and sourcing costumes for your child/ren and for helping them to practice their songs and lines at home.

We hope that you will enjoy the show.

Kind regards,

Mr. Collings & Mr. Dignan
