Dear Parents

This half term our Year 6 Geography unit will be all about Rivers. As part of this unit of work we will be going to do a Geography fieldwork study at the River Medina in Newport. This will take place on **Wednesday 25th May 2022** and the workshop session will be led by Chloe Searl, 'The Island Geographer' who runs fieldwork courses for many schools on the Island.

We will be leaving school at around 8.45am so please can the children be at school for 8.30am on this morning. The children will enter school through the green gates by the classroom door where they leave school at the end of the day. We will be returning before the end of the normal school day.

The children will need to bring a packed lunch to school on this day (no glass bottles, fizzy drinks or items containing nuts please) and water bottles as we will have a picnic lunch in Newport before returning to school. If you would like your child to have a school packed lunch please complete the attached order form and return to school by Wednesday 18th May 2022. The children will also need a decent sized rucksack to carry their things in so their hands are free to carry out activities.

The cost for the trip will be £9.50 to cover the transport and the workshop. This can be paid online.

The children do not need to wear school uniform to school on this day but please can you make sure that they wear sensible clothes for studying outdoors and sturdy footwear (trainers or walking boots) as we will be doing a lot of walking. The weather may be warmer by the time we go on the trip so please ensure your child has a hat to wear and brings sun lotion to apply if necessary.

This will be an exciting opportunity for the children to take part in fieldwork activities and learn new geographical skills.

Thank you for your help
